PERSEVERANCE - EFFORT - DEDICATION

Elite program focused on supporting dancers along their dance journey to enable them to flourish in a positive and encouraging environment.

Dancers of 6 years and above who are part of this program have to opportunity to train in multiple dance styles such as hip hop, jazz, contemporary, ballet & acro. This permits dancers to become highly versa style and develop their individual style simultaneously.

TEAMS

Dancers are divided in teams according to their age & level following the auditions.

Dancers train and perform with their multidisciplinary team all year.

Dancers can audition for additional teams in acro and musical theatre.

SOLO/DUO/TRIO OPPORTUNITIES

Dancers that are part of our competitive program have to opportunity to request for additional dances and compete in the solo, duo or trio category.

Dancers do not need to audition or get selected for this opportunity.

We believe that all dancers should get this opportunity if they are ready to put in the extra work, time and effort.
